Dear Sir / Madam,

**Subject: Disclosure of Material Event / Information – Disruption of operations at the Manapparai unit (Spinning division) and Vedaranium Salt works (Consumer Products division) due to Cyclone GAJA in Tamil Nadu**

Pursuant to Regulation 30 of SEBI (LODR) Regulations, 2015 read with Para B of Part A of Schedule III of said regulations, intimation be and is hereby given that cyclone Gaja has impacted one of the Spinning units of the company located at Manapparai and also our Salt Works located at Vedaranium in Tamil Nadu which caters to Consumer Products Division.

We would like to inform that there is no loss of human life. However, some damage has occurred at the roof of raw material godown and storage areas. On precautionary basis, we had shut down our Manapparai Spinnig unit on Friday, November 16, 2018, which would be restored after carrying out necessary repairs and inspection. We are confident that the operations at Manapparai location would start gradually from today i.e. Saturday, November 17, 2018 and are likely to reach normal level by Monday, November 19, 2018.

At Vedaranium Salt works, there has been some damage to our administrative office building, godown area and salt works. However, as the salt production season was already over, there was no impact on salt production.

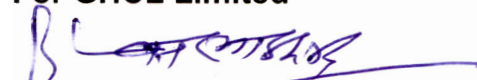

We would like to inform that the company has adequate insurance cover to take care of the cost of aforesaid repairs and damage.

We shall submit further updates in the matter in due course. You are requested to kindly take note of the same and disseminate the information on your website.

Thanking you

Yours faithfully

**For GHCL Limited**
